McCracken County, Kentucky Bicentennial History Book, 1825-2025

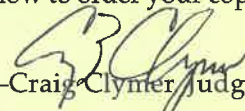

Sponsored by the McCracken County Fiscal Court

The McCracken County Fiscal Court, with the cooperation of Acclaim Press, is developing and publishing a new comprehensive history book to celebrate the 200th Anniversary of McCracken County in 2025. This expansive volume will contain hundreds of historical photos and highlights from the entire county. The large, 8-1/2" x 11" hardbound book will feature a beautiful leatherette cover with a gold stamped seal on the front, printed on luxurious archive-quality paper and crafted with smyth-sewn binding for durability — *the perfect heirloom for your children and grandchildren!*

Our purpose in publishing an anniversary history of the county is to provide a historical record for the enjoyment and education of future generations. *It will be necessary to collect orders in advance because we are going to print only a limited number of books.*

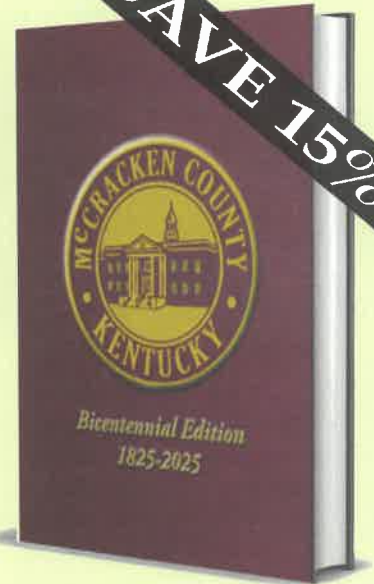

This commemorative history book is available on a special pre-publication basis, priced at just \$49.95, plus shipping (a savings of more than 15% — the price will go to \$59.95 or more later). Only those ordering their copies now, before we go to press, will be assured of getting a copy.
